Meet Oliver DeVreck, an all-too-human psychiatrist and marriage counselor who wakes up on the last day in June only to discover that he needs more help than any of his patients. Meet Carrie Sachs, who shows up on Oliver's doorstep as an all-too-ideal patient: Her husband is having an affair ... with Oliver's wife. Put all four together at a beach house in the Hamptons and watch the merriment that ensues as these not-so-newlyweds start playing emotional hide-and-seek.
